00 CLASSICAL MENS SAFETY WINTER WATERPROOFS WORKWEAR JACKET WITH DETACHABLE SLEEVE

Short Description:

This is a hot selling winter water proof workwear jacket for men, with strong fabric, detachable sleeve and reflex.

Product Introduction:

This is a classical and economical work clothes. We make it with classical design, detachable sleeve and some reflex.

The fabric is 300D oxford/PU coating, waterproof/breathable. It's seam taped that keep you warm and no sweaty. It's very useful in winter. Inner windproof flap under front zipper to keep wind outside. Inner stretchy windproof cuffs for warm and comfort.

And the sleeve is detachable. That means it could be a vest. It's more convenient when you working.

There are some practical pockets, including pockets with flap, with/without zipper and mesh pockets to hold different belongings. The adjustable elastic string in hood and bottom could keep wind outside and fit body well.

Reflex in front and back make you more safety and it's also a good decoration.
